INSTRUCTIONS

Good morning/ afternoon..... The ministry of health both National and County, with support from partners is conducting a nutrition capacity assessment. You have been selected to participate in this assessment. The interview will take about 1 hour. The objective of this assessment is to determine capacity of this County, to deliver nutrition services. Your answers will be useful in documenting the best practices and identifying the areas that require improvement.

I am going to ask you some questions about nutrition capacity, please let me know if you need me to clarify any of my questions. Feel free to ask any questions you may have. Can I start now?

Time started:

1. What is the County's annual planning and budgeting process? (*probe for inclusion of sectors, partners, availability of guidance, informed by AWP priorities*)

2. How do you describe the county's ability to formulate and implement fiscal related laws in the last 5 years following devolution

2.b) Have there been any challenges encountered?

3. What are the key priorities for funding consideration by the county?

4. In your opinion, how is the allocation of the County health budget as a percentage of the entire County budget? (*Probe for figures if possible*).

5. How would you describe the recurrent and development budget ratios for the county

5b: which sector has the highest recurrent expenditure. What are the implications?

6. a) What strategies has the County put in place to meet the county budgetary requirements)?
